36 Westlands Pickering

Pickering is a thriving market town on the edge of the North York Moors National Park and offers a wide variety of shopping and recreational facilities.

Located just to the north of the town, within a few minutes walk of the centre, this attractive detached family home offers well designed and spacious accommodation throughout.

The property is approached by a long driveway which leads to a large parking area in front of the double garage.

The accommodation briefly comprises Entrance hallway, cloakroom with w.c., kitchen, dining hall, spacious sitting room, study, large conservatory and utility room with walk in pantry. On the first floor there is a master bedroom with en suite shower room and three further bedrooms together with family bathroom. The unusually large rear garden is mostly laid to lawn with an attractive terraced patio area and mature planting of flowers and shrubs to the borders together with fruit cages and vegetable areas. The rear aspect of the property looks over a wooded area and to the right borders onto fields. A summer house, greenhouse and two sheds are also included.

Outside

The property is approached by a long block paved driveway from Westlands which leads to a large parking area in front of the double garage where also beautiful flowering wisteria and flower beds adorn to the front of the property. The double garage has two electric roller doors, light and power, additional boarding in the roof space providing extra storage, personal door to the rear which leads to the utility room. There is also a outdoor log store and electrical 13A socket.

The rear of the property may be accessed from either side of the house. By the left there is a climbing rose, flower beds and an access ramp leading to the lawn as well as access to the patio. Going to the right there is a passageway alongside the conservatory which leads to patio and drying area. There is an elevated platform where the garden tool shed and greenhouse are situated and both are connected to electrical power.

The large patio includes a pergola facilitating shade on sunny days. Steps lead from the patio to the lawn via a circular paved area, together with herb garden, rockery, pond and mature trees. The large lawn is bordered by shrubs and summer house, mower shed and fruit trees. The summer house is connected to electrical power and there is a water tap adjacent. Access to the bottom garden is through a tantalising gap in the mid garden hedge leading to fruit cage, vegetable area, compost area, wildlife gardens and a well established horse chestnut tree with two childrens swings.
